From your Associational Missionary...

A Word to Consider

Did I hear someone say vacation...? Vacations are wonderful and should be taken but just be careful that you do not take a vacation away from God. (Remember Hebrews 10:25.) Take advantage of the opportunity to worship with another part of the family of God. Then come home refreshed and with a new sense of calling to reach our community for Christ. If I can help, please call on me.

Robin and I are in the process of visiting each service at each of our association churches. It will take about six months to get through each of the services at each of our churches. It is a blessing worshipping with you and I am very grateful to those pastors who are calling on me to preach.

Please consider sharing with your congregations the needs of the association. We could use several more volunteers to work in the ministry center to sort, tag, and place items on the sale racks. We would love to open the doors a couple more days a week but must have more volunteers to staff the extra days.

The Tuesday workdays of June saw the hanging of lights in the warehouse, surveillance cameras in the buildings and the installation of some electric outlets. What a blessing it is when folks use their talents in service to our Lord through the association!

Both First Baptist Level Plains and Arton Baptist are in the process of building buildings. Consider calling the pastor to see if perhaps there is a need for a "mission trip" to help with their building. Working together for the Lord is an encouragement and blessing to all involved!

It is a joy to serve our Lord as your associational missionary. Pray for us as we pray for you and together let's reach our community!

Because of Jesus,

Love,

Bro. Jim & Mrs. Robin
