From the Associational Missionary...

April almost seems like a blur it has passed so fast. It has also been a good month with many great opportunities. Bible drills are always very interesting times as we watch our children share what they have committed to memory from the Word of God. I believe what you put in your minds will be there when you need it. God is faithful to bring to remembrance those truths we have learned in the times in our lives when we need strengthening. I remember of hearing of one young lady's testimony when she was at a very critical time of her life, how God brought to her mind the verses and song she learned as a child that helped her to have victory in her life. Let's keep helping boys and girls put scripture in their hearts.

The marriage retreat that we had at the Vineyard was very good. I have heard from some of those who attended, how they were challenged in their marriages. God is good to allow times of instruction in our lives to strengthen our marriages.

Our Semi-Annual Meeting was good. Thanks to the Bethel Baptist Church for hosting this meeting and for the wonderful meal we enjoyed. Our attendance was good and the fellowship was great.

We had our volunteer luncheon on April 20 at the DBA office. It was a time of great fellowship and instruction. We have the greatest volunteers in the country. They are committed and have fun serving the Lord together. If you would like to join this elite group call and let us know. We are always looking for workers for the ministry center.

As you know Churches are already preparing for Vacation Bible School. Our VBS clinic was held at the Ozark Baptist Church this past Saturday. We had a good time of getting ready to teach boys and girls about Jesus and His love for us. Thanks to our VBS Team for leading this conference, you did a wonderful job.

Keep on praying for our Nation as we are praying for our Presidential Election.

We need to also pray for Revival. We are in desperate need of a Spiritual Refreshing. It is important that we return to God and follow His leading in our lives.
