From The Associational Missionary...

Someone made a statement that time stands still for no man. There are days when I wonder does it speed up the older you get. It sure seems that way. I can hardly believe in a couple of days I will start my 19th year as the Associational Missionary of Dale Baptist Association. It seems the years have flown by. It is with a grateful heart I say thank you for years of serving with the wonderful Churches of the Dale Baptist Churches. Carol and I love you and thank you for your love for us.

Our Key Leadership Conference was well attended and the reports that I have received have been good. Thank You Ozark Baptist Church for hosting this conference.

The Ministry Center is doing well and I am thankful for our faithful volunteers. There is a need for more volunteers. If you would like to volunteer please call our office and let us know. The Ministry Center is one way all of our Churches can be involved in the Association.

We are headed toward our Annual Meeting so please elect your messengers so they can attend the meeting. The Annual Meeting is always a time of great fellowship, information and inspiration.

Let's remember the Mission that Jesus left us, to go into all the world with the Gospel. We live in a time of spiritual need in America and the whole World. Jesus is still the Answer.

If we can be of service to you please feel free to call the office and let us know.
