From The Director of Missions:

A Word to Consider

Although we are saved by grace, Paul reminds us in Ephesians 2:10 "For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them." It takes each of us doing our part and I am grateful for each one of you. It is a joy to work beside you, as we strive together to reach our community for Christ.

Speaking of working to reach our community, THANK YOU to our Pastors and Key Leaders who attended the Key Leader Rally. Overwhelmingly, I was told how good the breakout sessions were and I am grateful for the feedback.

During our workday last month, we had light fixtures, door locks and flush valves repaired. We had gutter drain bins and lines installed. Our windows and outdoor sign were given a good cleaning. There was also sorting, tagging, pricing, and displaying of items in the Ministry Center! We could certainly use more volunteers in the store. If you could volunteer a couple hours a week or a few a month, PLEASE come and talk to me! Come by and work with us any day in the Ministry Center, but also plan to help on our next maintenance workday, September 28.

In the past 17 weeks Robin and I have visited in at least one service and worshipped in 31 of our churches so far. It is a joy to work and serve our Lord alongside of each of you. Pray that together we can reach our community with the greatest news on earth!

Because of Jesus,
Love,
Bro. Jim & Mrs. Robin
